

SUPPORT PRODUCT DEVELOPMENT 'SPORTS NUTRITION'

WHO ARE WE:

A lifestyle snack producer, part of an international group belonging to a family group operating in different industries.

We have 3 business units: **BEYOND RESILIENCE**, **PEPPERMINT WOLF** and **SANY THE EXTRAORDINARY CREATORS**.

SANY - the extraordinary creators is an eclectic contract manufacturer specializing among others in private labelling and in a broad variety of premium snacks and functional food.

At **BEYOND RESILIENCE** we believe in pushing boundaries and making the impossible possible. We combine cosmetics, sports nutrition and wellness ingredients into an extraordinary line of high-performance products that are revolutionizing the fitness, nutrition, and hospitality industries.

By blending nutrition and supplements **PEPPERMINT WOLF** offers innovative products that help you rise from challenging conditions and achieve your goals. **PEPPERMINT WOLF** supports developing healthy habits that help you combine a busy lifestyle with healthy eating to keep you sharp and give you the necessary fuel and energy to outperform.
